Reciprocal agreement formed with Decatur Athletic Club

Exciting News From Colleen Curran and Chuck Kuhle!

We at Evergreen Racquet Club and Decatur Athletic Club are thrilled to announce a reciprocal relationship between our Clubs. Basically, you get another tennis venue in the Central Illinois area for the price of one! No guest fees will be incurred if you are traveling to Decatur or Bloomington and have friends there that want to host you for a game or you prefer to book a court or lesson on your own. Walk-in clinics would be available to DAC and ERC members as well.

This relationship is intended for TENNIS ONLY. ERC members are welcome to use the Fitness Center at DAC for a nominal guest fee. The other exception is that ERC summer and Sunday rates apply to ERC members at DAC. Permanent time is not a reciprocal privilege at either club. We ask that reciprocal members settle their charges at the time of use.

Our clubs would like to make it easier for members of both clubs with a mutual love of tennis to play with friends at their convenience. Colleen Curran and Chuck Kuhle look forward to continuing to foster friendly cooperation between our clubs to further promote tennis and friendships.
