Welcome Tennis Professional, Greg Lumb

I am thrilled to announce the addition of GREG LUMB to our tennis professional staff. You may have spotted Greg teaching some of our youth this spring having just relocated with his family to the area.

Greg, a USPTA Elite Certified Professional, has an interesting tennis background. Having played the game since age 10, he has been a passionate enthusiast of the sport ever since. As a self-taught player, he joined the Milligan College tennis team as the #1 singles and #1 doubles player at age 32. After playing in various clubs and leagues around the Tri-Cities, TN, Lumb left his 15-year career in banking to join the professional staff of The Bristol Country Club, Bristol, VA. His teaching style is formed from his training with Emilio Sanchez Vicario at his training facility in Naples, FL, as well as Butch Staples in Hilton Head, SC. He has also served as the Head Boys and Girls Coach for Abingdon High School, Abingdon, VA, leading the teams to the state semifinals twice and winning state championships in girls' singles and doubles. Greg joins our club from Johnson City, TN, where he was an independent instructor focusing primarily on junior and adult player development.

Greg is available for private lessons in addition to his work in the Junior Academy. Welcome, Greg!
